SAFAA Annual Report

St Andrew's First Australia Annual Report is almost complete and will be lodged on our website when complete. Our reporting also required us to lodge it with the ACNC by the end of December.

Our Missions Abroad

We currently have two projects underway; both are located in PNG. The first of them has been rebranded to 'Giving Back along the Track' and covers our annual deployment to PNG where we provide a First Aid Familiarization Course. Over 70 descendants of the Fuzzy Wuzzy Angel each received a first aid kit and certificate.

This project is on hold due to COVID-19 curtailing our income stream dramatically and with the borders closed

to PNG. Donations are always welcome, particularly when our northern neighbors desperately need our help. In addition, we have put in for a DFAT grant to support us.

To donate to us via EFT

The Second project is 'Operation Kokoda Assist'. This project has been set up to raise funds to donate a Patient Transport Vehicle. This vehicle will be used in the Sohe Province. We have received a quote from Ela Motors Port Moresby to supply the vehicle, all we need to do now is raise the funds.

So far, we have raised \$20,000 with generous donations from David Alexander-Fleming, David Howell and Paul Bryans of \$5,000 each towards the cost of the vehicle. Any donation is welcome.

Retirement

After 30 plus years' service former Chief Commissioner

Steven McRae retired this year. We all owe Steve a debt of gratitude in all the work he did during the transition from Robin

Hale's leadership through to Tony Cree taking over the role of Chief Commissioner in 2008. Steve was a recipient of the Voluntary Medical Service Medal and three clasps and the SAFAA Commendation for Meritorious Service.
